■ Dinner	**Stir-fried tofu + noodles**	380 kcal	P:24g C:45g F:12g
■ Snack	**Celery + hummus**	120 kcal	P:4g C:14g F:6g

■ Nutrition Tips

- Drink 8-10 glasses of water daily — it boosts metabolism by up to 30%.
- Eat slowly and mindfully; it takes 20 minutes for your brain to feel full.
- Prioritise protein at every meal to preserve muscle while in a calorie deficit.
- Avoid liquid calories — sodas, juices, and alcohol add up fast.
